

# LibreOffice Hackfest 2015

21st - 23rd May 2015  
Station Road, Cambridge

Join an international team of translators, designers, and world class engineers at the UK's first LibreOffice Hackfest. Get your hands dirty in the internals of an enterprise-grade app.

Open to everyone: bring a laptop and have some fun! Join us in building LibreOffice for Android and LibreOffice Online.
